

2009 Fatherhood Symposium

EMPOWER • ENCOURAGE • INFORM

Join us for a day just for fathers. Let us provide you with a support system that will help you build yourself, your community and your family. Let's break down barriers and dispel the myths of today's fathers.

Highlights

- The true meaning of "Fatherhood"
- Understanding Early Childhood Development
- Share your experiences and receive information from guest panelist
- How to obtain and maintain your cash flow
- Dealing with Child Support
- And much, much more.....

Father: a male parent, a generator, a link of positive reproduction, responsible provider
