Locating Easements in Guilford County's Register of Deeds

Select "Online Documents and Index" under the links of interest.

Select "Real Estate Index and Image".

Accept the Disclaimer.

Search by the name of the owner. Enter the name in the fields supplied and click on "search".

Place a check mark in the boxes beside of each name that you wish to search.

Click on "Display Detail Listing".

Easements may be notated in the "type" column as easements, right of way, agreement, right of way deed, etc...

To view documents click on the blue PDF or Tiff link under the "img" column.

***\*Documents may also contain references to the plat book and page, which may also contain a reference to the easement. You can access these by returning to the search screen and entering the book and page.***

***For further guidance, please call the Register of Deeds office at 641-7556.***
