**COMMENT FORM:**

- 1. What, if any, commercial services are needed or desired?  
Where do such commercial activities make sense?**

---

---

---

---

---

---

---

- 2. Is there a need and an appropriate location for different  
housing types (townhouses, condominiums, apartments)? If so,  
where and what types?**

---

---

---

---

---

---

---

- 3. What areas, if any, do you feel require special attention or  
further study during the next few years (areas that are  
emerging commercial or higher-density residential nodes)?**

---

---

---

---

---

---

---

---

**4. What others issues do feel are important to the Alamance Creek Area during the next several years (could include preservation of rural character, protection of agricultural areas, transportation issues, etc.)?**
