- Please address all items with an "O" beside of them as well as all comments on redlined copy. Resubmit four (4) revised plans along with the redlined copy. If you have any questions or comments, please advise.
- Projects in Oak Ridge and Jamestown limits must conform to Tree Preservation Ordinance.
- Projects in Summerfield require protection of Primary and Secondary Conservation Areas, and site plan approval from the Town before permit is issued.
- Coordinate with County Environmental Health Department to ensure erosion and sediment control devices do not compromise well and septic areas. If so, revise plan.
