

Appendix 1 GHP Assessment Committee

Co-Chairs

Mark Smith, Ph.D., Epidemiologist
Guilford County Dept. of Public Health

Robert Newton, President
Moses Cone~Wesley Long Community Health
Foundation

Members & Friends

Robert Aronson, Ph.D.
Department of Public Health Education
University of North Carolina at Greensboro

Alyson Best, R.S., Environmental Health
Guilford County Department of Public Health

Anna Busch
Health Care Sharing Initiative, Inc.

Lisa Duck
Guilford Adolescent Pregnancy Prevention Coalition

Cindy Dorman
Family Life Council

Vincent Francisco, Ph.D.
Department of Public Health Education
University of North Carolina at Greensboro

Mary Gillett
Tobacco Use Prevention Coalition

Renee Griffin
Senior Resources of Guilford

Jennifer Hill
Community Member

Amy Lytle
Volunteer Center of Greater Greensboro

Anne Kimball
The Guilford Center

Jennifer Kimbrough
Center for Youth, Family and Community Partnerships
University of North Carolina at Greensboro

Robin Lane
Outstanding Kids, Inc.

Wanda Martin
Health Promotion/Disease Prevention
Guilford County Department of Public Health

Staff

Laura Mroska, MPH, MSW, Healthy Carolinians
Coordinator
Guilford Health Partnership

Nolo Martinez
Center for New North Carolinians
University of North Carolina at Greensboro

Caroline Moseley, M. Ed.
Health Promotion/Disease Prevention
Guilford County Department of Public Health

Sam Parker
United Way of Greater Greensboro

Charmaine Purdum, Director
Guilford County Coalition on Infant Mortality

Felicia Reid, BSN, RN
Health Promotion/Disease Prevention
Guilford County Department of Public Health

Pat Sappenfield, Child Health
Guilford County Department of Public Health

Annette Sentner, Women's Health
Guilford County Department of Public Health

Leigha Shepler, M.S.
SAFE Guilford

Angela Thigpen
Alcohol and Drug Services

Vernice Thomas, Safe and Drug-free Schools
Guilford County Schools

Ann Umstead
Adult Center for Enrichment

Cheryl Workman
Moses Cone Health System

Brandolyn White, MPH
UNC Program on Ethnicity, Culture and Health Outcomes
Greensboro AHEC

Gwen Willis
Guilford County Schools

Appendix 4

2005 Guilford County Community Health Assessment Criteria Weighting

1) Quality of the Data

Data Description	Rating
No data available	1
Perceptions only-anecdotal	2
Perception with process data (counts of services	3
Perception and limited numbers; limited survey sample; some baseline data	4
Perception and numbers; large survey sample, reliable data	5
Reliable data sources with baseline and multiple years of data with some evaluation	6
High quality multiple data sources with baseline and multiple years to establish trends for ongoing evaluations	7

2) Size of Problem

Population with the health problem: Numbers in brackets are based on Guilford County Population size of 440,000

Available Data	Rating
Less than 0.01% (44)	1
0.01% through 0.09% (45-396)	2
0.1% through 0.9% (397-3960)	3
1% through 9.9% (3961-43,560)	4
10% through 24.9% (43,561-109,560)	5
25% through 39.9% (109,561-175,560)	6
40% or more (more than 175,560)	7

3) Seriousness of Health Problem

How serious is the health problem?	Rating
Not serious, little impact	1
Minimally affects daily quality of life, uncomfortable or inconvenient	2
Moderately serious; significant illness, restricts daily life functions	3
Serious; few deaths, some impact on others; hospitalization may be required	4
Very Serious; high death rate; hospitalization; economic loss; disproportionate impact on some population sub groups	5
Extremely serious; high death rate; premature death; great impact on others and the community	6
Catastrophic—massive death rate; quarantine; very great impact on community; requires emergency response; isolation/quarantine	7

2005 GHP APEX Results – Ranking by Topic Area

Appendix 6

Environmental Health

Score	Rank	Issue
33.37931034	1	Ozone
32.27380952	2	Asthma
30.03846154	3	Ground Water Quality
29.28571429	4	Particulate Matter 2.5
29.03571429	5	Lead Poisoning
28.94444444	6	Drinking Water Systems
28.89285714	7	Solid Waste
28.17857143	8	Toxic Substances
27.38227513	9	Rabies
24.52777778	10	Radon

Communicable Diseases

Score	Rank	Issue
32.83333333	1	HIV Disease
28.78947368	2	Chlamydia
28.26315789	3	Syphilis
27.73684211	4	Gonorrhea
27.68421053	5	Tuberculosis
27.15789474	6	Pneumonia & Influenza
24.35	7	Hepatitis B
23.52631579	8	Hepatitis A
23.21052632	9	Food Borne Diseases
21.57894737	10	Shigellosis

Community Health

Score	Rank	Issue
33.23529412	1	Poverty
30.64705882	2	Unemployment
29.29411765	3	Unhealthy Youth Development
29.11764706	4	Lack of Education
28.76470588	5	Crime/Safety
28.76470588	6	Lack of Health Promoting Policies
27.76470588	7	Institutional Discrimination
26.70588235	8	Housing

Chronic Diseases

Score	Rank	Issue
36.33333333	1	Cancer
36.07692308	2	Heart Disease
35.36363636	3	Diabetes
34.5	4	Lung Cancer
34.25	5	High Blood Pressure
33.75	6	Stroke
33.08333333	7	Breast Cancer
31.75	8	High Blood Cholesterol
31.27272727	9	Chronic Lower Respiratory Disease
30.91666667	10	Colorectal Cancer
30.63636364	11	Prostate Cancer
30.18181818	12	Alzheimer's Disease
28.63636364	13	Nephritis and other kidney diseases
28.36363636	14	Chronic Liver Disease and Cirrhosis

Injuries

Score	Rank	Issue
32.52381	1	Motor Vehicles Injuries
28.05263	2	Domestic Violence
27.89474	3	Homicides
27.68421	4	Physical Assault
27.47619	5	Falls
27.15789	6	Child Maltreatment
26.94737	7	Sexual Assault/Rape

26.28571	9	Bicycle Injuries
25.73684	10	Suicide/Self-Injuries
25.27273	11	Firearm Injuries
23.84211	12	Occupational (Work related) Injuries
23	13	Drownings
22.04762	14	Fires/Burns
22.04545	15	Poisoning
20.45	16	Dog Bites
19.61905	17	Suffocations

Maternal & Child Health

Score	Rank	Issue
31.94117647	1	Teen Pregnancy
31.5	2	Infant Mortality
31.05882353	3	Smoking During Pregnancy
30.94117647	4	Low Birth Weight/Very Low Birth Weight
30.35294118	5	Other Substance Use During Pregnancy
30.05882353	6	Prenatal Care
29.41176471	7	Preterm Delivery
28.05882353	8	Birth Defects

Health Behaviors

Score	Rank	Issue
36.46153846	1	Overweight/Obesity (Adults)
35.46153846	2	Physical Inactivity (Children)
35.38461538	3	Physical Inactivity (Adults)
35.30769231	4	Overweight/Obesity (Children)
35.07692308	5	Tobacco Use (Youth)
34.92307692	6	Alcohol Use (Youth)
34.46153846	7	Tobacco Use (Adults)
34	8	Poor Nutrition (Children)
33.92307692	9	Unsafe Sexual Behavior (Youth)
33.61538462	10	Poor Nutrition (Adults)
32.23076923	11	Unsafe Sexual Behavior (Adults)
31.38461538	12	Illicit Drug Use (Adults)
31.30769231	13	Illicit Drug Use (Youth)
31.07692308	14	Poor Mental Health (Children)
30.53846154	15	Poor Mental Health (Adults)
30.15384615	16	Alcohol Use (Adults)

Access to Care

Score	Rank	Issue
35	1	Uninsured & Underinsured
32.6	2	Access to Primary Care
32.3	3	Access to Preventive Care
31.8	4	Substance Abuse Services Access
31.5	5	Access to Specialty Care
31.2	6	Access to Dental Care
31	7	Mental Health Services Access

Immigrant/Refugee Health

Score	Rank	Issue
31.9	1	Infrastructure to Address Disparities
30.5	2	Interpretation/Language Barriers
26.6	3	Cultural Barriers

Categories	CD = Communicable Disease
HB = Health Behavior	INJ = Injury
CHD = Chronic Disease	CH = Community Health
AC = Access to Care	MCH = Maternal and Child Health
EH = Environmental Health	IRH = Immigrant & Refugee Health
